

ВРЕМЕНА ГОДА

ОСЕНЬ

An artistic illustration of an autumn landscape. In the background, there are stylized trees with brown trunks and branches, some bearing small orange leaves. The sky is a soft mix of pink and light blue. In the foreground, there's a dark brown, winding path or stream. To the left, there are rolling hills in shades of orange and yellow, dotted with small grey rocks. Various autumnal plants and leaves in shades of orange, yellow, and brown are scattered throughout the scene, creating a rich, seasonal atmosphere.
